Amazing OVO shows will be presented in Poland in Tauron Arena in Kraków from 13 until 15 April 2018 and in Ergo Arena in Gdańsk/Sopot from 19 until 22 April 2018. There are planned 12 shows, 6 in each city.

Cirque du Soleil returns to Polish arenas with the show **OVO**, after a tour all over North America that lasted since the spring of 2016, will now be crossing the Atlantic to debut in European arenas. We are just after the premier in Zurich and in April 2018 the time will come for Kraków and Trójmiasto

The show premiered **OVO** in Montreal in 2009 and since then the show thrilled more than 5 million people worldwide. **OVO** embarks on a journey, offering this captivating production this time in arenas, giving a greater number of people the opportunity to enjoy a Cirque du Soleil show in their own town.

About the show

OVO, meaning "egg" in Portuguese, is a headlong rush into a colorful ecosystem teeming with life, where insects work, eat, crawl, flutter, play, fight and look for love in a non-stop riot of energy and movement. When a mysterious egg appears in their midst, the insects are awestruck. They are insanely curious about this iconic object that represents the enigma and cycles of their lives. As it sometimes happens in life, one glance of a gawky, quirky insect that arrived in this bustling community at fabulous ladybug is enough to make the mutual love blossom.

The cast of **OVO** is comprised of 50 performing artists from 14 countries specializing in many acrobatic acts. One highlight of **OVO** is the stunning Russian Cradle aerial act in which a group of scarabs soar high above the stage, from both edges to the middle. A distance of 6 meters separates the catchers!

The Creative Team behind the world of **OVO** is: Artistic Guides Guy Laliberté and Gilles Ste-Croix; Writer, Director and Choreographer Deborah Colker (first female director at Cirque du Soleil); Director of Creation Chantal Tremblay; Set and props Designer Gringo Cardia; Costume Designer Liz Vandal; Composer and Musical Director Berna Ceppas; Lighting Designer Éric Champoux; Sound Designer Jonathan Deans and for the first time at Cirque du Soleil: Rigging and Acrobatic Equipment Designer Fred Gérard; Acrobatic Performance Designer Philippe Aubertin; and Makeup Designer Julie Bégin.
